The Silvertones choir is Beaver Dam's senior adult music group. Since its inception in 1990, the common thread among the members of this group is a love and desire to sing God's praises.

Under the direction of Beaver Dam's Minister of Music, Mike Bundon, this group of over 50 singers periodically provides special music for BDBC evening services and local nursing homes. They minister to Beaver Dam's shut-in members as well.

Each May, the choir participates in TuneShare, an event which showcases senior choirs from across East Tennessee singing songs of worship and praise. In addition, the Silvertones often travel to other churches to sing for their Senior Adult groups.

In the past, they have sung at the Tennessee Baptist Convention and, for the past several years, have sung the national anthem at a Tennessee Smokies game.

If you enjoy singing and being with fellow believers, singing with the Silvertones may be for you. Membership in the choir is open to all seniors 55 and older. It is not necessary to belong to Beaver Dam to become a member and NO audition is necessary. All the music is hymn style arrangements for 4-part choir and keyboard.

Silvertones rehearsals are held every other Monday from 10:30 AM - noon in the Choir Room from March - December. For more information, contact the Beaver Dam Music Office (865-925-9323) or send an email to [mbundon@bdbc.org](mailto:mbundon@bdbc.org).
